6 February 2017

Dear Madam,

It is with great pleasure that we invite you to participate in the PhD Scientific Days 2017 to be held at the Dental Training Centre, Semmelweis University, Budapest, Szentkirályi street 47, on 11-12 April, 2017. The Conference is organized by the School of PhD Studies, Semmelweis University.

The main goal of the event is to create a forum for PhD candidates in the field of biomedicine to present their work and offer an opportunity for enhancing their scientific contacts and cooperation. It also aims to cover issues and problems which may arise in connection with the course of PhD training and grading. The core of the two-day conference consists of oral presentations and posters on topics chosen mainly by candidates themselves. The official languages for oral and poster presentations are both Hungarian and English. Both days invited lecturers will summarize issues on topics attracting general interest.

The website of the event is available: <http://phd.kmcongress.com/> We welcome everybody on behalf of the School of Ph.D. Studies, Semmelweis University. We kindly ask you to inform the PhD students of your prestigious Doctoral School about the conference.

Looking forward to seeing you at this important event.

Yours sincerely,

Dr. József Tímár
President of the Doctoral Council
