PERSONAL INFORMATION			
Name surname		Bordei Petru	
Address (e)			
Phone (es)		Fix: +40 241605008	Mobile:
Fax(es)		Work: +40241605002	
emails)		bordei@anatomie.ro	
Nationality (es)		Romanian	
Date of birth			
Gender		Male	
Professional experience			
Period			
Occupation or position held		- PhD supervisor in "Medical science", specialty anatomy, since 1999; - Professor, Discipline of anatomy in the Faculty of Medicine Constanta, starting from 1st October 1996, certified by the Ministry of Education Decision no. 27727/40766 of 11.4.1996 and ministerial order 5790 from 1996. - Associate Prof. Discipline of anatomy at the Medical Faculty of Constanta, dated 1 October 1993, contest attested by decision no.129 of November 10, 1993. - A PhD in medicine after doctoral thesis on 21 December 1992, confirmed by Decision No. 4976 of 17 May 1993. - Anatomy Lecturer from September 1990 at the Faculty of Medicine Constanta, decision no. 27 of October 30, 1990; - Assistant Professor of Anatomy discipline IMF Iasi dated February 16, 1984, decision no. 512 from 30 January 1984,; - Assistant Professor trainee contest held in February 1979, IMF Iasi, Department of Anatomy; Decision no. 406 of 15 September 1979; - Chairman of the Senate of "Ovidius" University 2012-2014 - Member of the Senate of "Ovidius" University from 1990 to 2014; - Dean of the Faculty of Medicine from 2004 to 2012; - deputy Dean of the Faculty of Medicine 2000-2004; - Scientific Secretary of the Faculty of Medicine in 1990-2000;	
Main activities and responsibilities		- Educational (training, leadership PhD, student scientific circle); - Research: participation and organization of national and international scientific meetings; - Managerial: scientific secretary, deputy dean and dean of faculty:	
Name and address of employer		- Faculty of Medicine, University "Ovidius", University Alley, No. 2, Campus B	
Type of business or sector		- Medicine: teaching activities and research	
Education and Training			
Period		- Graduate of the High School no. 1 of Pașcani, graduated in 1967 with 133322 high school diploma, issued by the Ministry of Education on June 10, 1967. - Graduate of I.M.F. Iași, Faculty of Medicine in 1974 with diploma no. 198313/3728 issued by the Ministry of Education on 18 February 1978.	
Qualification / diploma obtained		- Medical doctor in 1974 - Resident transmissible diseases and epidemiological 1979 - Chief Medical specialty transmissible diseases and epidemiological by contest held in September 1983 Order MS no. 462 of 15 December 1983; - April to June 1992: internship training under the "TEMPUS" at the Faculty of Medicine Brest - France - March-April 1996: health management and social medicine internship under the "TEMPUS" over two weeks in Portugal (Lisbon) and two weeks in Bath (England)	

Principal subjects / occupational skills											
Name and type of education / training provider	- Iași IMF until 1990; - "Ovidius" Constanta since April 1990										
Level in national or international classification											
Personal skills and competences											
Language (s) default (s)	Romanian										
Language (s) language (s) name (s)											
Self-assessment		Înțelegere				Vorbire			Scriere		
European level (*)		Ascultare		Citire		Participare la conversație		Discurs oral		Exprimare scrisă	
Language French			C 2		C 2		C 2		C 2		C 2
Language											
(*) Common European Framework of Reference for Languages											
Social skills and competences	- Team spirit, acquired through research work carried out; - Responsiveness to the community and good communication skills gained through the professional and administrative functions fulfilled through participation in multiple national and international scientific meetings;										
Organisational skills and competences	- Leader, being along the years scientific secretary, deputy dean and dean; - Good organizational skills and proven management experience in the management of the faculty and university faculty in achieving new headquarters, organization of national and international scientific meetings.										
Technical skills and competences	- Knowledge of the rules for the control of the quality of teaching and research, being a member in the specialized committees CNATDCU and CNC SIS										
Skills and computer use	- Basic knowledge of graphics applications;										
Artistic skills and competences	- Writing and design										
Other skills and competences	- Philately; - Sports: football, tennis, handball, gymnastics, motorcycling										
Driving License (s)	Driving license category B										

Additional Information	MEMBER IN ACADEMIC AND RESEARCH INSTITUTIONS, PROFESSIONAL ORGANIZATIONS Member of the Society of Morphology of U.S.S.M. Iași, since 1979; Member of the Society of Physicians and Naturalists of Iași, since 1979; Member of the National Society of Cell Biology from 1985; Member of the Balkan Medical Union (UMB) since 1988; Member of the French Association of Anatomists since 1991; Scientific committee member of the European Association of Clinical Anatomy (EACA) since 1991; Founding member of the Romanian Society of Anatomists, 1994; Member of the Society of Anatomists in the Balkans and the Black Sea, 1994. Member of the European Medical Association (EMA) since 1994; Member of the International Society of Plastination since 1998; Malpighi Academy for the Study of Microscopic Anatomy, Rome, 1999; Vice-President of the European Association of Clinical Anatomy (EACA) in 1999-2001; Founder member and General secretary of the Romanian Clinical Anatomy Association, 1999; President of the European Association Of Clinical Anatomy in 2001-2003; Member of the German Anatomy Society (Anatomische Gesellschaft) in 2001; Member of the Brazilian Society of Anatomy in 2002; Member of the Chilean Society of Anatomy in 2003; Member of the International Academy of Clinical Anatomy since 6 September 2007; Executive chairman of the Romanian Association of Anatomists in 2008-2010; Member of the Board of the European Association of Clinical Anatomy (EACA), re-elected in September 2009 at the 10th Congress, September 2 to 5, Istanbul, Turkey; Honorary member of the Italian Association of Anatomy from 2010; SCIENTIFIC ACTIVITIES SCIENTIFIC PAPERS Publications "in full" as first author in international ISI journals: 8 Publications "in full" as first author in national journals: 15 Co-author papers published "in full" in national journals: 52 Published papers as first author in abstracts from abroad, appeared in summary and in ISI: 34 Co-author of papers published in abstracts from abroad, appeared in summary and in ISI: 72 Published papers as first author in Abstracts of the international scientific events: 71 Co-author of papers published in abstract volumes of international scientific events: 120 Published papers as first author in abstracts of scientific events national: 60 Co-author of papers published in abstract volumes of national scientific events: 143 Papers as first author in international scientific meetings: 19 Co-author of papers presented at international scientific meetings: 36 Papers as first author in national scientific meetings: 76 Co-author of papers presented at national scientific meetings: 157 Among the works printed in full in ISI journals I quote: 1. ÉTUDE ANATOMIQUE DES ARTÈRES RÉNALE TRIPLES. P. Bordei, D. Șt. Antohe, Morphologie, Nantes, Vol. 86, nr. 274, 2002, pg. 37. 2. VARIANTES DE RAMIFICATION DE TRONC CŒLIAQUE CHEZ LE FŒTUS. P. Bordei, D. Șt. Antohe. Morphologie, Nantes, Vol. 86, nr. 274, 2002, pg. 43. 3. MORPHOLOGICAL ASPECTS OF THE INFERIOR SUPRARENAL
--------------------------------------	---

	ARTERY. P. Bordei, D. Șt. Antohe, E. Șapte, D. Iliescu. Surgical and Radiological Anatomy, Paris, vol. 25, nr.3-4, 2003, pg. 247. 4. HORSESHOE KIDNEY" IN A ECTOPIC POSITION. A CASE REPORT. P. Bordei, D. Șt. Antohe, D. Iliescu, E. Șapte. Surgical Radiological Anatomy, Paris, vol. 25, nr.3-4, 2003, pg. 345. 5. DOUBLE RENAL ARTERIES ORIGINATING FROM THE AORTA. P. Bordei, E. Șapte, D. Iliescu. Surgical Radiological Anatomy, Paris, vol. 26, nr. 6, 2004, pg. 474. 6. THE MORPHOLOGY AND THE SURGICAL IMPORTANCE OF THE GONADAL ARTERIES ORIGINATING FROM THE RENAL ARTERY. Bordei P., Șapte E., Iliescu D., Dina C. Surgical and Radiologic Anatomy, Springer – Heidelberg, vol.29, nr.5, 2007, pag. 367 7. ETIO-PATHOGENIC AND MORPHOLOGICAL CORRELATIONS IN CONGENITAL HYDRONEPHROSIS. M.Boșoteanu, C.Boșoteanu, M. Deacu, M. Așchie, P. BORDEI. Rom. J. Morphol. Embryol., vol. 52 (1), 2011, pag. 3-6. 8. MORPHOLOGICAL ASSESSMENTS ON THE ARTERIES OF THE SUPERIOR RENAL SEGMENT. P. BORDEI, E. Șapte, D. Iliescu, K. Brânzaniuc, R. Baz, C. Dina. Surgical and Radiologic Anatomy, Springer – Heidelberg, Vol. 34, nr 2, 2012, pag. 137.
	28 printed handbook (13 as first author), of which quote: • OSTEOLOGY - N. Cozma, Gh. Frasin, D. Frîncu, M. Matei, D. Scutaru, R. Chiriac, P. Bordei. Litografia I.M.F. Iași, 1988. • CENTRAL NERVOUS SYSTEM - I. Petrovanu, N. Cozma, Doina Frîncu, Maria Romila, D. Scutaru, R. Chiriac, P. Bordei, I. Costea. Litografia I.M.F. Iași, 1991. • LIMBS DESCRIPTIVE AND TOPOGRAPHIC ANATOMY - Gr. Mihalache, N. Cozma, R. Chiriac, D. Scutaru, M. Zamfir, P. Bordei, I. Costea. Litografia I.M.F. Iași, 1991. • HUMAN ANATOMY. ANATOMY OF DEVELOPMENT. NOTIONS IN HUMAN EMBRYOLOGY - D. Ulmeanu, P. Bordei, Lidia Chircor. Tipografia Universității "Ovidius" Constanța, 1992. • OSTEOLOGY - P. Bordei, D. Ulmeanu. Tipografia Universității "Ovidius" Constanța, 1993. • NEUROANATOMY, - D. Ulmeanu, P. Bordei, D. Iliescu, S. Tomasian, M. Neamțu. Tipografia Universității "Ovidius" Constanța, 1994. • FUNCTIONAL ANATOMY VOL. I,II - D. Ulmeanu, P. Bordei. Tipografia Universității "Ovidius" Constanța, 1994. • HUMAN EMBRIOLOGY PRACTICAL LESSONS FOR STUDENTS - L. Chircor. D. Ulmeanu, P. Bordei, S. Tomasian. Tipografia Universității "Ovidius" Constanța, 1995. • OSTEOLOGY SECOND EDITION (REVISED AND COMPLETED) - P. Bordei, D. Ulmeanu, Elena Șapte, M. Cambrea. Tipografia Universității "Ovidius" Constanța, 1995. • THE UPPER LIMB DESCRIPTIVE ANATOMY - P. Bordei, D. Ulmeanu. Ed. "Ex Ponto", 1995. • THE LOWER LIMB DESCRIPTIVE ANATOMY - P. Bordei, D. Ulmeanu. Ed. "Ex Ponto", 1995. • MEDICAL TEACHING CHRONICLE - D. Ulmeanu, V. Ulmeanu, P. Bordei. Ed. Ex. Ponto, Constanța, 1997. • ARTROLOGY - D. Ulmeanu, P. Bordei. Ed. "Ovidius University Press, 2001. • TOPOGRAPHIC ANATOMY AND IMAGING OF LIMBS - D. Ulmeanu, P. Bordei. Ed. Ex. Ponto, 2001. • THE LIMBS DESCRIPTIVE ANATOMY - P. Bordei, D. Ulmeanu. Ed. Ex. Ponto Constanța, 2002. • HUMAN BODY SKELETON - P. Bordei, D. iliescu, E. Șapte. Ed. "OVIDIUS" University Press, 2004. • SCAPULAR-HUMERAL PERIARTHRITIS- I. Ureche, P. Bordei, D. Iliescu. Ed. Europolis, 2006. • THE PANCREAS - F. Voinea, E. Dumitru, P. Bordei, A.I. Suceveanu, I.

	Ion, A.P. Suceveanu, L. Alexandrescu. Ed. Ex. Ponto Constanța, 2006. • THE BONES ANATOMY. - Ed. University Press. E. Șapte, P. Bordei. Ed. Ex. Ponto Constanța, 2006. • LARYNX CANCER. ANATOMICAL AND SURGICAL CORELATIONS.. A.L.A. Oancea, C.R. Popescu, P. Bordei. Ed.Universitară "Carol Davila", București, 2011. • 11 volumes as first author of "Human Anatomy and Physiology (Biology I) tests for the admission examination " during 1995-2012. Research topics: 1. Morphological studies of the cardiovascular system. 2. Methods of investigation and preservation of anatomical parts. 3. The structural organization of the limb joints. 10 research contracts, of which to one of them I was program director and two regional director: • The morphofunctional study (macro, meso and microscopic) of the arteriovenous blood supply of the thoracic and abdominal organs; worth 75,000,000 lei and financed by CNCSU contract was spread over three years (completed in 2000). • CNMP 42097/2008 AV REN Contract - partnership distribution specificity of multiple renal arteries and veins - Anatomical bases for resection surgery and kidney transplantation. • Excellence in PhD training by implementing a dedicated European model. Structural project. POSDRU/CPP107/ DMI1.5/S/80641. POSDRU. 01.12.2010-30.11.2013. Manager: Prof. Klara Branzaniuc, UMF Tg. Mureș . • Populated collagen biomaterials for valve replacement with stem cells. PNII-ID-PCCE-2011-2-0036. UEFISCDI. 11.06.2012-10.10.2016. Research Member. • CERO: Career Profile: Romanian researcher. Code 135760. Tutore. 1 P5. Director (local coordinator): Ass. Prof. Tuță Liliana • PN – II – ID – PCCE – 2011 -2- 0036 - STEM CELL SEEDED COLLAGEN SCAFFOLDS FOR HEART VALVE REPLACEMENT; 2012-2015 • PROIECTUL NR. 4: 42097/2008 - "Specificitatea de distribuție a arterelor și venelor renale multiple" – Partener 01.10.2008-0.10.2011 Active participation in over 90 scientific events, at home and abroad (Belgium, France, Italy, Germany, Spain, Portugal, England, Canada, Japan, Turkey, Bulgaria, Moldova, Brazil, Chile, Republic of South Africa, Morocco, Tunisia etc.); • Participation in all national congresses of Romanian Anatomists since 1979; • Chairman of the 5th European Congress of Clinical anatomy, MANGALIA Neptune, 1999; • Founder of the Romanian Association of Clinical Anatomy In 1999. • Member of the editorial board of the journal "SURGICAL, Radiologic Anatomy" - SPRINGER Verlag, 2001; • Scientific reviewer of the journal "SURGICAL, Radiologic Anatomy" - SPRINGER VERLAG, Paris, 2001. • Editor in chief of ARS MEDICA 2004 Tomis. • Editor in chief of "The Annals" University "Ovidius" Medical Sciences series, 2004. • Member of the editorial board of the Romanian Journal Of Functional And Clinical, Macro And Microscopic Anthropology • Scientific reviewer of the journal "INDEX COPERNICUS Scientists", USA. • Chairman of the "87-eme Congres de l'association des Morphologistes" Constanta, 2005;
--	---

	• Editorial board member of the journal of medicine and life, Bucharest, in 2008. • Chairman of the 11th Congress of the Romanian Society of Anatomy, Constanta, 2010; • Chairman of the 13th Congress of the Romanian Society of Anatomy, Constanta, 2013; Awards and Distinctions • the Honorary Award and Medal for the paper presented at the "75th Congress of the French Anatomists" Lillie, May 1993; • Founding Member Diploma of the Romanian Society of Anatomy, October 1994; • Second Prize Congress "The 79th congress of the Association French anatomist" REIMS, May 1997; • First Prize in the "80-ème Congrès de L'association des Anatomistes" Turin, May 1998; • The Award for posters section at "Xv Congress of the International Federation Of Association Of Anatomists" and "4th International Malpighi Symposium " Rome, September 1999; • Honorary diploma and medal "120th anniversary" Gr. T. Popa "University" (1999) • Diploma "10th anniversary" Ovidius "University of Constanța" (2000); • Diploma as founder of the Anatomy discipline, Faculty of Medicine and Pharmacy Constanța "(2000) • Congress Prize for Section posters at "84-ème Congrès de l'Association des Morphologistes" 8-11 May 2002 Sousse, Tunisia. • Medal "Nicolae Kretzulescu" for special merits in development of anatomical science and medical education; • Award "Francisc Rainer" to "The Seventh National Congress of the Association of Anatomists from Romania, 2003, Oradea, Romania.. • Diploma of Excellence of the Anatomists Romanian Society, for the entire activity in anatomy, reflected in valuable contributions on educational and scientific realm, recognized nationally and internationally, in November 2003. • Congress Prize (poster section) to "86-ème Congrès de l'Association des Morphologistes", 2004, Amiens, France. • Congress Prize "87-ème Congrès de l'Association des Morphologistes", 2005, Constanța, Romania. • First Prize of the Congress (poster section) "88-ème Congrès de l'Association des Morphologistes" 11 to 13 May 2006, Nantes, France. • Honorary Professor of the Faculty of Medicine in Nantes, May 2006 • Award of the Tenth Anatomy National Congress of the Romanian Anatomists Society, 13 to 15 May 2009, Tirgu Mures. • Diploma of Excellence offered by the Scientific Committee of the Tenth Anatomy National Congress of the Romanian Anatomists Society as a sign of high appreciation for the personal contribution to the organization and conduct scientific events from the congress, Tirgu-Mures, 2009. • First Prize of the Congress (poster section) "91-Ème Congrès de l'Association des Morphologistes" 21-23 May 2009, Brussels. • Congress Prize (Section posters) "92-Ème Congrès de l'Association des Morphologistes", March 2010, Montpellier, France • Congress Prize (poster section) to "96-ème Congrès de l'Association des Morphologistes", 2014, Amiens, France.
ANNEXES	- Copy PhD degree; - Copy of diploma medical doctor; - Copy of baccalaureate diploma.

- membru în comisii pentru examenul de admitere la facultate;
- membru în comisii pentru întocmirea subiectelor pentru examenul de admitere la facultate;
- membru în comisii de licență;
- îndrumător științific a peste 50 de lucrări de diplomă;
- coordonator științific a peste 30 de teze de doctorat;
- membru în peste 80 de comisii pentru promovare didactică și de susținere publică a tezei de doctorat.

- președinte al 5th International Conference “Biomaterials, Tissue Engineering & Medical Devices, BiomMedD’2012, Constanța, 28th august-1st september, 2012
- membru în numeroase prezidii (chairman) ale manifestărilor științifice naționale și internaționale;
- Comitetul de redacție (editoriel board) al revistei Romanian Journal of Morphology and Embryology
