1st International Conference ICHMS 2013

Introspective Connections
on Human Movement Sciences

REVIEWER RATING FORM FOR CONFERENCE PAPERS

Paper title: (printed)

Paper ID: **HMC 012** (example)

Reviewer's code: **RWC HMC 1/012** or **HMC 2/012** (example)

Expected date of return: **20 March 2013**

YOUR REVIEW

Part 1. Scientific quality

Please rate the extent to which the proposed abstract is both **clear** and also reflects **high quality** in the following criteria:

Rating: 1=needs work → → 4=excellent

- ☐ 1. The proposed topic is relevant to the International Conference ICHMS aims and focus.
- ☐ 2. Problem statement: relationship of the topic to previous research, theoretical framework, and/or existing literature is clearly described.
- ☐ 3. Purpose of the study: objectives, research questions and/or hypotheses are clearly stated.
- ☐ 4. Methodology (study design, sampling, data collection, measurement and analysis) is clearly specified and appropriate for study objectives/questions.
- ☐ 5. Conclusions are appropriately stated based on results.
- ☐ 6. Implications of findings for psychological practice and/or further research are clearly stated.

Average Score: Value of { ☐ + ☐ + ☐ + ☐ + ☐ + ☐ } : 6 =

Part 2. Written Communication

Please indicate any of the following aspects that you think that would need further improvement in this abstract and comment below.

- ☐ Spelling
- ☐ Grammar and punctuation
- ☐ Organization
- ☐ Conciseness
- ☐ Scientific vocabulary
- ☐ Key words

Your comments - printed:

OVERALL RECOMMENDATION

Please select one of the followings:

- ☐ Accept the submission – Strongly agree
- ☐ Accept the submission – Agree, pending minor revisions
- ☐ Accept the submission – Agree, pending major revisions
- ☐ Reject the submission – Do not recommend the acceptance of submission in its current form

PLEASE MAKE EXPLICIT HERE THE BASIS OF YOUR EVALUATION

You may include here any specific comments or suggestions that might help the author in completing his or hers paper.
