ERASMUS+ STUDY MOBILITIES FOR STUDENTS
HEALTH SCIENCES FOR THE 2023-2024 ACADEMIC YEAR

The Erasmus+ Office organizes an Erasmus+ call for **study mobilities for students (SMS)**, academic year **2023-2024**.

These mobilities can be accessed by students which are enrolled in the current academic year, 2022-2023, according to their program of studies, as follows:

- **Medicine and Medicine in English: 3rd and 4th year of study**
- **Dental medicine, Dental Medicine in English: 3rd and 4th year of study**
- **Pharmacy: 1st, 2nd, 3rd, 4th year of study (*students from current 4th year of study could perform their mobility only in the first semester of the academic year 2023-2024*)**
- **Nutrition and Dietetics: 1st and 2nd year of study**
- **General Nursing: 1st and 2nd year of study**
- **Medical cosmetics and technology of cosmetic product: 1st and 2nd year of study**
- **Medicinal Chemistry: 1st and 2nd year of study**

Details

The duration of the study mobility is at least of one semester and will take place in a partner university under the framework of the Erasmus+ programme.

Eligibility criteria:

Students enrolled at George Emil Palade University of Medicine, Pharmacy, Science and Technology of Târgu Mureș.

Selection criteria:

- **FULL CREDITED STUDENTS IN THE COMPLETED YEARS OF STUDY**
- **Academic performance:** arithmetic average of completed years of study (average X 10). This arithmetic average will be calculated by each student (based on the online student records (Carnet online) and will then be confirmed by the Dean's Offices upon the request of the Erasmus+ Office.
- **Scientific performance:** Number of abstracts published in journals as first author (n X 3) and as co-author (max. 3 abstracts, n X 1). For each abstract, only one contributor will be considered first author. Only documented performance will be considered. For each abstract you have to provide copies from: the cover of the journal or abstract volume, the page containing the name, period and location of the scientific event, the page(s) containing the abstract. The copy of the abstract is compulsory; the diploma of participation is in no way a substitute for it!
Only abstracts **that have already been published in an abstract volume** will be considered.
Exception: the 2023 Marisiensis and TDK scientific events, where a certificate issued and signed

by the legal representatives of the student leagues of the university will be accepted together with the abstract, but only for those abstracts that have already been accepted for presentation.

- **The status of tutor/demonstrator:** should be supported by a certificate released by the Dean's Office, and also signed by the head of the department concerned.

Only the tutor/demonstrator activity carried out prior to the selection call (at least 2 modules) will be taken into consideration. The total score obtained after the file evaluation will be increased by the commission by 10%, according to the internal rules of the university.
